How It Works

1

Enroll & Upload

Select your listings. Upload records via our mobile app or send us existing scans.

2

Digitize & Verify

Crewchief's team digitizes, organizes, and verifies the aircraft's maintenance history.

3

Link & Launch

The Intelligence Report is generated. We link it directly to your website or listing platform.

4

Close & Transfer

Grant access to serious buyers and easily transfer clean, verified records to the new owner upon closing the deal.

Ready to Get Started!

Deliver transparency, confidence in every transaction with Intelligence Reports, powered by Crewchief.
